ROOTED IN AGRICULTURE. RISING IN COMMUNITY.

The Washington State Garlic Fest is a three-day celebration of agriculture, culinary creativity, local artisans, and family-friendly entertainment held at the Southwest Washington Fairgrounds.

Garlic Fest highlights local growers, regional food vendors, handmade artisan goods, live demonstrations, educational exhibits, and community-focused activities that attract visitors from throughout Southwest Washington and beyond.

As the event continues to grow, we invite community partners and sponsors to join us in supporting agriculture, economic development, and family-centered experiences.
